~~Medica~~ I Staff never responded to my informal resolution. I dislocated my left shoulder/arm and was not taken to the hospital for over a day. Because of the actions of Nurse Casady and Foster, I am still in extreme pain. I now have nerve pain and my neck some kind of surgery. I am now moving to the BOP. However, you all here at Cimarron Correctional Facility never gave any response within 10 day(s) after getting my informal resolution. This is because your staff members are guilty of abuse and neglect. Your Nurses did this knowing, willfully and intentionally. I am asking that all my medical bills be paid by them. I will also be asking for pain and suffering and the violation of my right to get health care ect. I put the Address on this form where I can be reached. However, I will need 15 extra days to respond by mail.

Please send your responses to 3327 Kerf00+st HB EL PASO TX.
